

OFFICE OF TECHNOLOGY TRANSFER AND INDUSTRIAL DEVELOPMENT
SYRACUSE UNIVERSITY
A DIVISION OF THE OFFICE OF RESEARCH

April 5, 2009

We in the Office of Technology Transfer and Industrial Development wish to express our gratitude to [Professor of Practice Robert Kucharavy](#) and his PRL 300 Spring 2009 students that are working on a communications plan for our office.

Eight SU Seniors and Juniors are working on this communications plan. This office has empowered the students identified below to:

- write and send out press releases for the office
- inquire about what articles appear in certain SU and other local publications
- speak with SU innovators that have worked with the office
- speak with possible innovators at SU that have not yet interfaced with the office
